

## 5182 Aluminum Coil

### 5182 Aluminum Coil Metal Description:

5182 aluminum coil is an alloy of aluminum that belongs to the 5xxx series of aluminum alloys. It is primarily composed of aluminum, magnesium, and manganese. This alloy is commonly used in the manufacturing of coils and sheets for various applications, including the automotive industry, building and construction, packaging, and more.

5182 aluminum coil is typically available in a variety of thicknesses, widths. It can be coated with various materials, such as paint or powder coating, to enhance its appearance and protect it from corrosion. This aluminum alloy can also be heat treated to improve its strength and hardness, making it ideal for use in high-stress applications.

### Strength of Mingtai Aluminum Production 5182 Aluminum Coil

- 1.High-Quality Material: Mingtai Aluminum uses only high-quality raw materials for its 5182 aluminum coil production, ensuring that the final product is of the highest quality;
- 2.Advanced Technology: Mingtai Aluminum has advanced production technology, including state-of-the-art equipment and processes that ensure high precision and quality;
- 3.Fast and reliable delivery: Mingtai Aluminum has a global distribution network and can deliver their products quickly and reliably to customers all over the world;
- 4.Customization: Mingtai Aluminum can customize its 5182 aluminum coils according to customer requirements, including thickness, width, and length, to meet the specific needs of its clients;
5. Monthly output can be up to 3000 tons.

### Technical Parameter of Mingtai Al. 5182 Aluminum Coil

Alloy	5182
Temper	O,H12,H14,H16H18,H19,H22,H24,H26,H28,H32,H34

	H36,H38
Thickness (mm)	0.2-8.0
Width (mm)	100-2600
Length (mm)	c

**Countries we have exported our products to:**

Saudi Arabia	Oman	Kuwait	Netherlands	Pakistan
Bahrain	Qatar	UAE	Africa	China
Nigeria	Mexico	Canada	Venezuela	United Kingdom
United States	South Africa	Malaysia	Bangladesh	Turkey
Singapore	Sri Lanka	Australia	Brazil	Germany
France	Italy	South Korea	Poland	Belgium

**Packing Detail of 5182 Aluminum Coil**

1. cases packed in wooden cases
2. paper packaging
3. plastic packing
4. foam packaging

Packaging according to customer requirements or products
