

Stucco Aluminum Sheet

China Professional Manufacturer- Stucco Aluminum Sheet Advantages

Stucco Aluminum Sheet is achieved by embossing rollers with a natural satin finish material.

Widely used in refrigerators, solar heat reflectors, decorative aluminum products, lamps, luggage, disinfection boxes, air conditioners, ventilation pipes, indoor and outdoor decoration, mechanical equipment shells and other industries. An embossed finish increases the thickness and strength of the aluminum.

Mingtai Aluminum's stucco aluminum sheets have a clear texture and smooth edges without burrs. There are no cracks, corrosion, holes and other defects on the surface.

At present, in the refrigeration industry, 3003 series aluminum is widely used; 1000 series is widely used in pipe insulation and packaging.

Strength of Mingtai Aluminum Production Stucco Aluminum Sheet

1. 500 Tons/Month, high production capability will short your wait time.
2. 26 years of independent innovation, with the most complete products and solutions.
3. The annual production and processing capacity can reach 1.4 million tons. Over the years, we have insisted on "careful and meticulous" service to create value for customers.
4. Green recycling aluminum, practicing green and sustainable development
5. The product specifications and aluminum alloys can be customized on demand.

Technical Parameter of Mingtai Stucco Aluminum Sheet

Alloy Series	1000/3000 series
Finish	Mill Finish
Thickness (mm)	0.4-1.0
Width (mm)	Up to 1250
Length (mm)	Cut to size

Countries we have exported our products to:

Stucco Aluminum Sheet Most Exporters:				
Philippines	Vietnam	Laos	Cambodia	Myanmar
Thailand	Malaysia	Indonesia	Singapore	China

Aluminum products of Mingtai Stucco Aluminum Sheet the export popular

Stucco Aluminum Sheet of packaging meet the export standard. Plastic film and brown paper interlea can be covered at customers' need. wooden case or wooden pallet is adopted to protect products from damage during the delivery.

Delivery Time: 15-35 days after receiving LC or deposit 30%
